Summer 2022

Dear Families,

Thank you for your interest in our Summer Camp! We have been busy planning exciting activities for a great summer of fun. Your child will have a positive, safe and fun summer meeting new friends and experiencing new adventures.

We are excited to announce that starting this summer the Fayette County Family YMCA will be collaborating with the Washington City Schools Big Blue Bus program, as they will be providing a sack lunch service for the Summer Camp.

This parent handbook will provide information and regulations to help answer questions about your child's summer camp. You and your child will be held accountable for all information covered in this handbook. If you have any additional questions please feel free to contact the Summer Camp Director, Tosha Niciu at 740-335-0477 ext. 106.

Along with this Parent Handbook, you will receive a registration packet that includes: Ohio Department of Job and Family Services Child Enrollment and Health Information forms, Permission to participate in swimming activities, and Child and Adult Food Program Enrollment and Income Eligibility Application. These forms must be completed before your child is officially enrolled into our program. The completed packet must be returned no later than seven (7) days before the first week to be attended by your child.

Thank you again for enrolling your child into our Summer Camp! We look forward to providing a memorable summer for you and your child.

Sincerely,

Tosha Niciu
Summer Camp Director

Welcome to the Fayette County Family YMCA Summer Camp!

This handbook contains information regarding the Summer Camp. It is very important that you read this handbook and keep it as long as your child is enrolled in the program.

Philosophy

The Summer Camp is operated by the Fayette County Family YMCA. The YMCA Summer Camp recognizes and values each child as a unique individual who should be encouraged to explore new experiences at his or her own pace. This is accomplished in a warm, secure, play centered environment that provides a balance of developmental activities that promote social, physical and cognitive growth. It is the mission of the YMCA to put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

Goals

The Fayette County Family YMCA strives to help children develop into their fullest potential, to support and strengthen the family unit, and to deliver the program in a positive YMCA environment of safety, support and care.

- Help children develop to their fullest potential in a caring, safe, and positive environment.
- Support and strengthen the family by fostering all-around health and well-being.
- Teach, model, celebrate, practice, praise, and reinforce the four core values of character development: caring, honesty, respect, and responsibility.

License

The Fayette County Family YMCA Summer Camp is licensed to operate by The Ohio Department of Job and Family Services. We are also a Step up to Quality Three Star rated program since March 2020!

Admission

To enroll your child into the Summer Camp, please complete the proper summer packet and turn it into Tosha Niciu, SACC Director. The completed packet is due no later than seven (7) days before the first week to be attended by your child.

Enrollment is open first to YMCA members, Sugar Creek Packing and Wingate Employees, and then to non-members.

A child is considered enrolled in the program ONLY after the required paperwork has been received, reviewed, and approved. Once enrolled, any change to this information must be communicated to the office immediately so that current information is on file. This is for the safety of your child.

Eligibility and Non-Discrimination Statement

The YMCA Summer Camp is open to serve youth that have finished Kindergarten up to Sixth grade. Children are enrolled regardless of race, color, religion, sex, economic level, national orientation or physical abilities.

The center is not staffed to provide one on one ratio that may be required for a child with behavioral or severe handicapping conditions. However, the center will make all reasonable attempts to accommodate children with special needs including, physical and developmental needs. All children enrolling into the center MUST be fully potty trained. Please contact Tosha Niciu for an interview to determine the center's ability to meet your child's needs.

The center reserves the right to restrict admission of those children who are unable to function satisfactorily within our staffing ratios and the facility.

Hours of Operation

Monday – Friday 6:00am – 5:30pm (Hours subject to change based on staffing)

With the official Summer Camp day being 9:00am – 4:00pm

The Summer Camp Program will be closed in observance of the following holidays: Memorial Day, Independence Day and will observe a Professional Development Day on July 1st.

Summer Directors Hours of Availability

The Summer Camp Director's office hours are 9:00am – 12:00pm. You may reach the Summer Camp Director at 740-335-0477 ext. 106. If the Director is unavailable please leave a message with the Front Desk Staff.

Fees and Payments

The fee for families paying the full time weekly rate is due on Monday of the week care is provided. Please note that all families with kids in our program that are not having fees payroll deducted must set up an automatic withdraw from a debit/credit card or bank account for payment of fees. For families who have two or more children enrolled in YMCA childcare programs, a 15% discount will be given to the child enrolled in the least expensive program(s).

The weekly Summer Camp fee is: \$125 for Members and \$175 for Non-Member

Summer Camp Scholarships are available for those families who have been denied through Ohio Department of Job and Family Services.

The YMCA does accept reimbursement for those who qualify for assistance through Ohio Department of Job and Family Services. The co-payment established by ODJFS is due on Monday of the week childcare is provided.

Charges for the Summer Camp will be based on weeks enrolled. Weekly tuition maybe paid by cash, check, or money order made out to the Fayette County Family YMCA, or a credit card.

Failure to keep your childcare account current will result in your child's suspension until the account is settled.

Late pick up charge

A late fee of \$1.00 per minute per child will be charged after 6:15pm. **This fee must be paid before the child can return to our care.**

If the center has not been notified and the child has not been picked up after the designated pick up time, the teacher will make any and all attempts to contact the parents or emergency contacts. If the parents or emergency contacts cannot be reached, the childcare staff reserve the right to contact Child Protective Services.

Publicly Funded Child Care (Title 20)

The YMCA Summer Camp does accept Publicly Funded Childcare for those who qualify for assistance through Ohio Department of Job and Family Service (ODJFS). Families receiving ODJFS assistance must have a credit/debit card on file for weekly payment of co-pays. Families receiving ODJFS assistance must keep all punches on the TAP System current as this is also your form of payment. Missed punches that are over a week delinquent will result in suspension from the program until missed punches are made current. Families receiving ODJFS assistance will not be enrolled until approval for assistance has been confirmed by the Summer Director.

Child Abuse Reporting

All childcare staff members are mandated reporters of child abuse. If the staff has suspicions that a child is being abused or neglected, they MUST make a report to the local Child Protection Services. The safety of the children is always our first concern.

Supervision Policy

A major responsibility of the staff is to ensure the health and safety of each child entrusted in our care. Staff is alert to the safety needs of their children, anticipate possible hazards and take necessary appropriate precautionary and preventative measures.

Arrival/ Departure

All children, parents, and guardians entering the building MUST wash their hands before entering the classroom. **Parents are required to bring their children into the YMCA and to sign the child in on the attendance located on the clipboard.** Any special messages, medications, pick up notes, etc, are to be given to the Director or teacher. Children may not be dropped off at the entrance of the building or sent inside alone. Staff must be made aware of each child's presence before the parent departs.

At the time of pick up, parents are required to sign their child out with the time and their signature on the attendance located on the clipboard and then inform their child's teacher they are leaving. A signature is required under the signature column, signing "mom" or "dad" is not permitted.

Those families receiving Publicly Funded Childcare (ODJFS), your child must be checked in on the TAP Tablet (located in the classroom) before they enter the program. This is your form of payment to the state of Ohio.

Parents are responsible for the supervision of their children before sign-in and after sign-out.

At no time will a child be left unattended. Staff will supervise children at all times. If a child becomes ill, they may be isolated in a section of the room not in use, but within sight and sound of a staff member.

In the event a child has not been picked up after closing time and the center has not been notified, the teacher will make any and all attempts to contact the parents and/or emergency contacts. If the parents or emergency contacts cannot be reached within an hour of closing, the child care staff reserve the right to contact Child Protective Services.

Late Arrival

All children attending the Summer Camp should arrive by 9:00am. If your child will be late, parents will need to call the Summer Director for approval on late arrivals. This helps us with staff to child ratio and accurate lunch counts.

Absences

If your child will be absent on a day they would normally attend, please notify the staff as early as possible at 740-335-0477.

Release of a child

Staff will release children only to persons on the release form provided by the parent. All persons picking up children will be required to show a form of ID to staff to verify. If an emergency arises, the parent must provide a written signed note given the person permission to pick up their child. Staff will check any person's ID before they release the child. Please inform anyone picking up your child that they will be required to show a form of ID. The children's safety is our first priority.

Staff will not release a child to anyone, including parents, who appear to be under the influence of drugs or alcohol. Emergency contacts will be called to transport the child home. Police will be notified if necessary.

Custody Agreements

If there are custody agreements involving your child, you must provide the center with CERTIFIED Court Papers indicating who has permission to pick up the child. The center may not deny access to any parent without proper documentation.

YMCA staff and volunteers are not permitted to care or to transport children at any time outside of the YMCA program.

Staff to Child Ratio

The Summer Camp will not exceed the state required ratio of 1 adult to 18 children with a maximum group size of 36. The only exception to the rule is if the program takes a field/walking trip and then the ratio will be 1 adult to 10 children.

Daily Schedules

During the Summer Camp participants will enjoy a wide variety of fun, new and safe experiences. The program is broken into groups based on the grade level the child has just completed and/or the child's age. Participants will stay with this group all summer.

The participant's daily schedule is flexible enough to provide adaptability when necessary but structured enough to provide predictability for the children. We want them to view the Summer Camp as a safe, fun, and comforting place where they know what to expect and when to expect it. Activities will vary according to theme of the week, weather, or special events.

Every day at the Summer Camp participants will have 30 minutes of intentional physical activity, 30 minutes of intentional reading (DEAR - Drop Everything And Read), crafts and games.

Sample daily schedule for the Summer camp

6:00am – 7:00am	Arrival / Quiet Time (Coloring, Reading, Drawing, Board Games)

Children Participating in YMCA Activities

If your child is registered for a YMCA program that takes place during program hours, a note is required for us to allow them to leave our program and go to the other program.

Sunscreen/Bug Spray

The YMCA will provide a basic sunscreen with an SPF 50 (SPF Rx Brand Sport Lotion). List of ingredients will be available upon request. If parents choose to supply the sunscreen, please make sure it is a non-aerosol lotion, labeled with the child's name and given to their counselor. Please apply the first application of sunscreen to your child upon arrival at the YMCA. Counselors will make sure sunscreen is applied periodically throughout the day. If your child is extra sensitive to the sun and needs to take extra precautions, please inform their counselor.

Due to the areas in which some activities will take place, bug spray is recommended. Parents will need to provide their child's bug spray. Please make sure it is a non-aerosol spray, labeled with the child's name and given to their counselor. Please apply the first application of bug spray to your child upon arrival at the YMCA.

Counselors will make sure the bug spray is applied periodically throughout the day. **NO AEROSOLS (They will be returned if brought in).**

Water

Please send a full water bottle with your child on a daily basis. This may be a reusable bottle. These bottles are for WATER ONLY. This ensures that your child will have immediate access to water when they are thirsty.

Outdoor Play

During the Summer Camp, most of our day is spent outside. Please make other arrangements if your child does not feel well enough for outdoor play. We will limit the amount of time outside when temperatures are extreme. If the situation requires it, we will also adjust outdoor time due to rain, threatening weather, ozone warning, etc. On days that outdoor play is not possible due to these conditions, the summer camp will be moved indoors with appropriate activities.

Due to the amount of time we spend playing outside; participants need to be mindful of their attire while in the program. Participants will be playing outside in the dirt and grass. It is recommended that children NOT wear their "nice clothes", skirts, or dresses to the program.

Participants must wear closed toed shoes when in attendance. Tennis shoes are best. Participants are **NOT** permitted to wear sandals or flip flops.

Swimming

Swimming activities will be provided during camp. **Campers are to provide their own bathing suit and towel.** A lifeguard will be present at all times and camp staff will also be actively supervising children.

Children will be split into two different swim times, Little Swim (Kinder-2nd) and Big Swim (3rd-6th).

The children listed as non-swimmers on their permission form will swim in the 3 foot area of the pool ONLY. This includes all swimmers who must wear a floatation device.

The children listed as swimmers on their permission form will be allowed into the 5 foot area. If a swimmer wants to go farther out into the deep end of the pool, the swimmer must pass a swim test in order to go past the 5 foot area into the deep end, which goes down to 9 feet.

The swim test includes swimming the length of the pool, from the shallow end to the deep end, treading water for 30 seconds, and swimming the length of the pool back to the shallow end. If at any point the swimmer touches the bottom or the side of the pool, the test is ended immediately and the swimmer will have to try again another day.

Meals, Snacks & Nutrition

The Fayette County Family YMCA Summer Camp participates in the Child and Adult Food Program (CACFP). This program allows the YMCA to provide nutritious meals to the children up to 3 times a day. Please ensure that all income and enrollment information is filled out completely upon submission of your child's enrollment packet. Breakfast is served from 6:30am – 7:30am, lunch is served from 11:00pm – 12:00pm, and snack is served from 3:30pm – 4:00pm. Please be aware that if your child has special dietary restrictions proper documentation is required and could result in the parent or guardian providing the meals.

The Fayette County Family YMCA will be collaborating with the Washington City Schools Big Blue Bus program, as they will provide a sack lunch service for the Summer Camp. Children are welcome to pack their lunch. However, if you choose to pack your child's lunch it will need to be in accordance with current ODJFS meal requirements (ie: a meat, a vegetable, a fruit and a grain). Milk will be provided to all children. We ask that you do not send your child with any peanut products, soda, junk food or candy. They may bring a reusable bottle for water only.

Food Supplements or Special Diets

In February 2017 the YMCA joined the Child and Adult Care Food Program and any meals, snacks or milked claimed for reimbursement must meet program requirements. Food accommodations must be made when the food accommodation is due to a disability (a physical or mental impairment which substantially limits one or more major life activities, has a record of such impairment, or is regarded as having a special impairment). Reasonable food accommodations may be made for children /participants without disabilities who may have special medical or dietary needs. Food accommodations are to be supported by a statement signed by a recognized state medical authority which is defined as a state licensed health care professional who is authorized to write medical prescriptions under state law. If your child falls under this category, a "Special Diet" form will need to be filled out and signed by a physician, as well as a "Request for Administration of Medication" (signed by a physician) form and the ODJFS "Care Plan".

Because of our involvement in the Child and Adult Care Food Program and due to children with severe food allergies outside food is strictly prohibited without prior approval and proper documentation.

Incident/Injury Reports

In the case that your child is involved in an accident or incident while in the care of the YMCA Summer Camp a written incident/injury report will be filled out and provided to a parent or guardian. If your child suffers a serious injury you will be contact immediately and referred to additional care if necessary. If your child suffers from an injury that requires immediate medical attention parents or guardians will be contacted as well as emergency services. If emergency services decide that your child needs further medical attention a staff member will accompany the child to the closet emergency room. Staff members will remain in constant communication with parents or guardians and will remain with the child until a parent or guardian arrives.

Accidents/Emergencies

The center has devised several procedures to follow in the event that an emergency would occur while the child is in the center's care. In the event of a fire or tornado, staff will follow the written procedures posted in the classroom describing the emergency routes and procedures to be followed to assure that children arrive at the designated spot. In the unlikely event there would be an environmental threat or threat of violence, the staff will: secure the children in the safest location, contact and follow the directions provided by the Child Care Director, Designee, or law enforcement authorities and contact the parents as soon as possible. In order to prepare children for the unlikely need to evacuate, drills will be performed monthly.

There is always one staff member present at the center that has received training in First Aid, CPR, Communicable Disease Prevention and Recognition of Child Abuse and Neglect. In the case of a minor incident/injury staff will administer basic first aid. If the injury is more serious, first aid will be administered and the parent will be contacted immediately to assist in deciding an appropriate course of action. If an injury is life threatening, EMS will be contacted, parents will be notified, and a staff member will accompany the child to the local hospital with all available enrollment and health records. Staff may not transport children in their personal vehicles. Only parents or EMS will transport.

General first aid kits are kept in the classroom, in the kitchen and in the Director's office. Each kit is clearly marked, within easy reach of staff but out of reach of children.

An incident/injury report will be completed and given to the parent or guardian for review and to be signed on the day of the incident/injury. Incident/injury reports will be given for the following reasons: illness, accident, injury which requires first aid, child receives a bump/blow to the head, child has to be transported by emergency squad, a behavior concern, or an unusual or unexpected event that occur which jeopardizes the safety of the child. If a child requires emergency transportation, the incident/injury report will be available within 24 hours of the incident/injury. It is the responsibility of the administrator to self-report to Ohio Child Licensing and Quality System any serious incidents within 24 hours of the incident/injury.

Transportation for Trips and Emergencies

If a child needs routine transportation, parents will be required to fill out an additional form giving permission to transport. Transportation for routine trips will be done in the YMCA ASE Inspected Van. For medical emergencies children will be taken to the nearest hospital by Ambulance. If children need transported by ambulance parents will be notified immediately and will be required to meet staff at the hospital. The Fayette County Family YMCA reserves the right to refuse enrollment into the center if parents or guardians refuse to grant consent for transportation to the source of emergency treatment.

Management of Illness

Having a completed Medical Statement ensures that your child is receiving all of the necessary health screenings available to them. While there are optional assessments/screenings available we recommend they are completed annually as well. Optional assessments/screens are: vision, hearing, dental health, height and weight, hearing and blood level and hemoglobin levels. Most health screenings can be completed at your child's Doctor's office. If you do not have a Doctor for your child you can go to The Fayette County Health Department. If you would like more information on the importance of health screenings please speak to the childcare director.

The YMCA provides children with a clean and healthy environment. However, we realize that children become ill from time to time. We observe all children as they enter our program to assess his/her general health. **Please do not bring a sick child to the program as they will be sent home.** This also exposes the rest of the children in the program. We will not accept children for the day that would be too sick to go to school or participate in daily activities. Please plan ahead and have a backup care plan if you are unable to take off work.

A child with any of the following symptoms or combination of 3 or more symptoms will be immediately isolated and discharged to the parent or emergency contact:

- Temperature of 100 degrees F- in combination with any other signs of illness
- Diarrhea
- Severe coughing
- Difficult or rapid breathing
- Yellowish skin or eyes
- Redness of the eye, obvious discharge, matted eyelashes, burning, itching
- Untreated skin patches, unusual spots or rashes
- Unusually dark urine or grey/white stools
- Stiff neck with an elevated temperature
- Evidence of lice or nits, scabies, or other parasitic infestation
- Vomiting more than once or when accompanied by any other sign of illness
- Sore throat or difficulty swallowing.

Any child demonstrating signs or illness not listed above will be isolated and carefully observed for symptoms. The parent will be notified. If a child does not feel well enough to participate in program activities, the parent will be called to pick up the child. Anytime a child is isolated, they will be kept within sight and hearing of a staff member.

Parents will be notified in writing by a note on the clipboard if children have been exposed to a communicable disease. Should a parent be called to pick up their child, they must do so within 1 hour of notification. Children will be readmitted to the program after being 48 hours free of fever and other symptoms (untreated by fever reducing medications). If the child is not symptom free, a doctor's note will be required stating the child can return to a group care setting and is not contagious.

COVID-19 Policy/Procedure

All children entering the building will have their temperature checked before admittance to the program. If a child has a temperature of 100 degrees F or higher they will not be allowed to enter the classroom and the child will have to

remain at home for 48 hours. Children may return after the 48 hours if they are fever free without the aid of fever reducing medications (Tylenol, Motrin).

If your child presents a fever of 100 degrees F or higher, or any of the symptoms listed on the CDC (Center for Disease Control) website while in the program you will be called to pick up your child. Per our policy, you will have one hour to pick up your child. Your child **MUST** remain home for 48 hours and may return if they are fever free without the aid of fever reducing medications. A doctor's note will be required so we can properly communicate any communicable disease with families and the Health Department. Children may return sooner with a diagnosis from a medical professional that states the child is not contagious and my return to a group care setting. Staff and Administration will take all precautions to keep your children safe and healthy; we ask that you do the same. If you suspect that your child is ill, please keep them home.

Care of Children without Immunizations

The Fayette County Family YMCA reserves the right to refuse care to any child that is not up to date with current immunizations as required by the State of Ohio Department of Job and Family Services.

Medications

Child care staff will administer medications to a child only after a parent completes a Request for the Administration of Medication (JFS01217) and Child Care Plan for Health Conditions or Medical Procedures (JFS01236) and a doctor has signed off, when applicable. *Child care staff will not administer any medication to a child that has not previously received a dosage.* Medication will be stored in a designated area inaccessible to children. Medication may NOT be stored in a child's backpack. The only exception to this requirement is a child that requires the immediate use of an inhaler for a medical condition. Parents must sign a release form stating they are permitting their child to have access at all times to the inhaler. The child must keep the inhaler on his/her person at all times. Anytime the child is unable to maintain control of the inhaler, it must be handed directly to the teacher responsible for the child.

Prescription Medications

Any child with a prescription medication must have the "Request for Administration of Medication" form filled out and signed by a physician and a "Child Care Plan" form filled out and signed by a parent/guardian. Prescription medications must be in their original container and administered in accordance to the instructions on the label or provided by the physician.

Over the Counter Medications

Over the counter medications must be administered in accordance to label directions and will require a "Request for Administration of Medication" form. Over the counter medications will not be administered for more than three days without instructions from a physician.

Topical Products

Children are allowed to carry/use their own topical products as long as it is in its original container and written parent permission has been given. If it is a prescription, please refer back to prescription medications.

Personal Belongings from Home

Children enrolled in the Summer Camp are not permitted to bring toys (stuffed animals, dolls, action figures, etc.). Children are not permitted to bring electronics of any kind. If a staff member observes a child enrolled with electronics, the electronic will be confiscated and brought to the Director's office and will not be returned until the child's parent arrives.

THE YMCA STAFF ARE NOT RESPONSIBLE FOR LOST, STOLEN, OR BROKEN ELECTRONCS OR ANY OTHER PERSONAL ITEMS WHICH A CHILD BRINGS TO THE PROGRAM.

Parents/Guardians are prohibited from taking any form of photography of any child while they are signed into the Summer Camp. Any violation of this policy could result in termination of child care from the Fayette County Family YMCA.

External

From time to time activities at the center may be photographed or videotaped by center staff, other YMCA, the media (newspaper or TV) or any of our affiliated programs (public library). These may be used for promotional purposes or news articles of interest. A parent signed permission form is required.

Internal

You may elect to allow photography or videography for internal purposes. In this case, photos or video would be used within the classroom, the YMCA, our private Facebook page or on our Band App. A parent signed permission form is required.

Video Monitoring

The Summer Camp has a camera in the classroom and other areas except the bathrooms. This is for the safety of your children. If you request to view footage, please make a formal written request to the Summer Camp Director and allow 24-48 hours for your request to be processed.

Parent Involvement

Parents are encouraged to participate, whenever possible, in the activities at our Summer Camp. Parents may wish to attend special activities or simply join in the daily fun. If you would like to participate please reach out to the Summer Camp Director to make arrangements.

Parent Information Board

The parent information board is located just inside the classroom. Information is updated frequently for the benefit and interest of all families.

Parent Responsibilities and Reminders

In order to assure that your child's association with the YMCA is a pleasant, positive experience, we ask that parents follow these suggestions:

1. Do not send your child to the program if you suspect illness or if he/she is not well enough to participate in activities.
2. Please dress your child in appropriate clothing for activities, including, tennis shoes.
3. Escort your child into the classroom making sure you sign them in on the attendance attached to the clipboard.
4. ODJFS parents: You must TAP your child in and out daily. No Exceptions!
5. Check for papers, projects, notes or reminders on a daily basis.
6. Keep tuition paid in full.
7. Update the information in your child's file when change occurs by informing the Summer Director.

Basic Child Care Rules

These rules and regulations are necessary so that we may enhance the enjoyment and safety of all participants. *The staff reserves the right to add to or modify the rules as needed to create a positive and safe program for all children enrolled.*

- 1. Absolutely no bullying, fighting or aggressive behavior will be tolerated.**
2. Children will use appropriate behavior and language at all times.
3. Children will use materials and supplies in a safe and appropriate manner.
4. Children will respect and follow the directions of the staff.

5. Children will respect the property of the Fayette County Family YMCA, all YMCA staff, and fellow classmates.
6. Children must stay within the designated boundaries of the program as outlined by YMCA staff.
7. Have Fun!

Guidance Policy

The center implements Conscious Discipline. Conscious Discipline is a comprehensive classroom management program and a social-emotional curriculum. It is based on current brain research, child development information, and developmentally appropriate practices.

YMCA SACC staff believes that helping the child learn self-control is very important. Our hope is that each child will learn self-discipline through careful guidance. Your child will be treated with love and respect. If children are treated with respect, they in turn learn to respect the teacher and fellow students. Our expectations will be kept within the child's capabilities and the child will be made aware of these expectations. Positive reinforcement (commenting on children doing the correct thing) and positive redirection (removing the child and giving them an appropriate activity) will be used. A child may be asked to sit for a short period of time to give the child a chance to regain control if they are having a difficult time. "Breaks" will be age appropriate in length and done within the classroom. Staff will not impose punishments for failure to eat, sleep, or toileting accidents. Nor will food, rest, or toilet use be withheld from any child as a disciplinary action. Disciplinary action will not be unnecessarily shame, humiliate, or frighten a child. This discipline policy applies to all staff and parents while they are at the center. Corporal punishment is not used and is not to be used by any family member with any child while at the center.

If a situation arises where a child is consistently endangering him or herself, peers or staff, it may become necessary to terminate the child's participation in the program. A behavioral form will be filled out on a child if they show signs of bullying, hitting and destructive/aggressive behavior toward other children or staff. If a child receives more than 3 behavioral reports a call will be made to the parents and the child will be sent home for the day. If problems continue a meeting will be held with the parents.

If you find that you do not agree with our discipline policy, please share your feelings and beliefs with us. We will attempt to work out our differences; however, if you find yourself uncomfortable with our methods and we haven't been able to work out a compromise you may need to consider other childcare arrangements for your child. An example of this would be if you believe that it is necessary for your child to hit other children when conflicts arise. Since hitting by anyone, no matter what the reason, is unacceptable in our center this is not a difference that can be worked out by compromise. The specifications of this rule apply to all employees of the center.

Every attempt will be made to work together with the parents and the child to correct the behavior. However, the safety of all children is always our primary concern. The Child Care Director will communicate with the parents any issues or concerns.

If the child demonstrates behavior that requires frequent "extra attention" from staff members, we may choose to develop and implement a behavior management program. This plan would be developed in consultation with the parents and would be consistent with the requirements of Rule 5101:2-12-19 OAC.

Discipline Policy

Any kind of violent act or behavior will automatically result in a suspension or dismissal from the program.

Violations of rules will result in the following actions:

FIRST OFFENSE:

A verbal warning from the Camp Counselor, or at the Camp Director's discretion, a suspension may be warranted.

SECOND OFFENSE:

A written warning from the Camp Counselor, or at the Camp Director's discretion, a suspension may be warranted.

THIRD OFFENSE:

A second written warning will be issued, plus a meeting/phone call between the participant, his/her parents, the Camp Counselor, and the Camp Director; or at the Camp Director's discretion, a suspension may be warranted.

FINAL ACTION:

Suspension from the program for a period of time deemed appropriate by the Summer Camp Director up to and including complete dismissal.

If any child is dismissed from the program for a discipline reason the parents will be notified immediately. Parents will need to pick up the child within 1 hour of notification. No refunds or credits will be issued by the Fayette County Family YMCA.

We reserve the right to dismiss a child from Summer Camp as the Camp Director determines is necessary regardless of whether the child received previous warnings.

The success of the program and the safety of all participants are contingent on each individual respecting and obeying the rules listed above. We hope each child will have a positive, fun experience during the program. We are committed to working with you and your child to ensure this happens. We appreciate your time, respect, and support of these rules and regulations.

Policy for issues/concerns in regard to the center

If parents, guardians or employees need assistance in resolving a conflict related to the center please contact Tosha Niciu, Summer Camp Director, Kristy Warner, Child Care Director, or Douglas Saunders, YMCA CEO.
